

# WAGHORN COLLECTION

Snodland Historical Society is very grateful to the Allen Grove Local History Fund, administered by the Kent Archaeological Society, for a grant of £250 towards the costs of an exhibition held in Snodland Millennium Museum April-September 2000 to commemorate the 200th anniversary of the birth of Thomas Fletcher Waghorn. The grant also assisted in initiating the setting up of an archive devoted to Waghorn (the current state of which is detailed below). Items can be consulted at Snodland Millennium Museum, which is currently open on Wednesdays and Sundays, 2 p.m. to 5 p.m. Some of them, particularly the pictures, may be on view as exhibits.

In the references below, 'Creator(s)' include the source of photocopied items – listed last.
